YMDDIRIEDOLAETH ARCHAEOLEGOL CLWYD-POWYS
CLWYD-POWYS ARCHAEOLOGICAL TRUST

This is an alphabetical list of archaeological contractors who have successfully completed work in the Clwyd-Powys area in the past two years, and who are either Registered Organisations (RO) with the Chartered Institute for Archaeologists, or (in the case of freelance individuals) full individual Members of the Chartered Institute for Archaeologists (MCIfA). This is **not** a recommended list, and inclusion on the list does not imply any endorsement of an organization or individual. It is the responsibility of the person commissioning work to ensure that their chosen contractor can, for example, demonstrate financial viability for the term of the project(s) for which they are engaged, and carry the necessary insurances.

For a complete list of Registered Organizations please visit the Chartered Institute for Archaeologists website: http://www.archaeologists.net/ro Other archaeological contractors within Wales which may, or may not, be Registered Archaeological Organisations can be found on the British Archaeological Jobs and Resources website here http://www.bajr.org/whosewho/contractor.asp
