Good Morning

With reference to the above planning application the Company's observations regarding sewerage are as follows.

As the proposal has no impact on the public sewerage system, I can advise we have no objections to the proposals and do not require a drainage condition to be applied.

IMPORTANT NOTE: This response only relates to the public wastewater network and does not include representation from other areas of Severn Trent Water/Hafren Dyfrdwy, such as the provision of water supply or the protection of drinking water quality
