Site Area

What is the site area?

33.75

Scale

Sq. metres

Does your proposal involve the construction of a new building which would result in the loss or gain of public open space?

◯ Yes
⊘ No

Description of the Proposal

Description

Please describe the proposed development including any change of use

This design and access statement is for the construction of a timber framed, slate roofed, open-sided eating shelter located at the Venture, based in Garner Road. It is intended to primarily provide shelter for children and young people whilst they eat their meals that are provided free of charge by the Venture during open access play sessions. It will also be used for creative and cultural activities with children such as art and craft, particularly during inclement weather.
It is to be located on a small parcel of land opposite the main entrance to the Children's Centre and next to the entrance onto the adventure playground. The footprint of the area is approximately 7.5m x 4.5m but the shelter will be 6m x 4m. A photo of the site is attached below, along with a location plan. A photo of a similar construction is also attached, together with sketch scale drawings.

The funding for the construction is through grants from the Spf key fund administered by Wrexham Council and by The National Lottery, with the former having quite deadlines for its expenditure.

Most of the people who will benefit from the new shelter are children and young people who live locally and as a consequence the plan has widespread support within the local community. As the local County Borough Councillor for Wynnstay ward I wouldn't anticipate any objections. It is also a substantial distance away from any houses or other residential dwellings and located well inside the Venture's boundaries. The construction also has had received permission from the landowner who is Wrexham County Borough Council.
In addition, it has been confirmed by Wrexham Council's Building Control that the construction does not need Building Inspection approval.

The immediate environment will not be adversely affected. There is funding in place to plant an enclosed herb garden adjacent to the shelter which children will plant and harvest for use in the Venture's kitchen. The Council's Carbon Reduction team will also be funding the planting of various trees and plants in the Venture's Nature Area this Autumn, to grow food linked to this project.

Has the work or change of use already started?

◯ Yes
⊘ No

Existing Use

Please describe the current use of the site

Parcel of land is currently a small grassed patch which is not used for anything except as a collecting space for deliveries of materials such as second hand pallets for den building and other materials for re use in play.

Is the site currently vacant?

⊘ Yes
◯ No

If Yes, please describe the last use of the site

This area has always been a left over grassed patch and forms part of the entrance way into to the playground itself

When did this use end (if known)?

12/08/2024

Does the proposal involve any of the following?

Land which is known or suspected to be contaminated for all or part of the site

◯ Yes
⊘ No

A proposed use that would be particularly vulnerable to the presence of contamination

◯ Yes
⊘ No

Application advice

If you have said Yes to any of the above, you will need to submit an appropriate contamination assessment.

Does your proposal involve the construction of a new building?

◯ Yes
⊘ No

Materials

Does the proposed development require any materials to be used in the build?

⊘ Yes
◯ No

Please provide a description of existing and proposed materials and finishes to be used in the build (including type, colour and name for each material)

Type:
Vehicle access and hard standing

Existing materials and finishes:
Currently grassed area

Proposed materials and finishes:
Timber decked area beneath slate roof

Type:
Walls

Existing materials and finishes:
There are no walls. The roof is supported by timber clad steel posts

Proposed materials and finishes:
Timber, self finish

Type:
Lighting

Existing materials and finishes:

Proposed materials and finishes:
Low energy strip lights and spot lights

Type:
Roof

Existing materials and finishes:

Proposed materials and finishes:
Composite grey slate

Are you supplying additional information on submitted plans, drawings or a design and access statement?

◯ Yes
⊘ No

Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicle or pedestrian access proposed to or from the public highway?

◯ Yes
⊘ No

Are there any new public roads to be provided within the site?

◯ Yes
⊘ No

Are there any new public rights of way to be provided within or adjacent to the site?

◯ Yes
⊘ No

Do the proposals require any diversions/extinguishments and/or creation of rights of way?

◯ Yes
⊘ No

Please show details of any existing or proposed rights of way on or adjacent to the site, as well as any alterations to pedestrian and vehicle access, on your plans or drawings.

Vehicle Parking

Is vehicle parking relevant to this proposal?

◯ Yes
⊘ No

Trees and Hedges

Are there trees or hedges on the proposed development site?

◯ Yes
⊘ No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?

◯ Yes
⊘ No

If Yes to either or both of the above, you will need to provide a full tree survey with accompanying plan before your application can be determined. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'

Assessment of Flood Risk

Is the site within an area at risk of flooding?

◯ Yes
⊘ No

Refer to the Welsh Government's Development Advice Maps website.

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?

◯ Yes
⊘ No

Will the proposal increase the flood risk elsewhere?

◯ Yes
⊘ No

From 7 January 2019, all new developments of more than 1 dwelling house or where the construction area is 100 square metres or more, require Sustainable Drainage Systems (SuDS) for surface water designed and built in accordance with the Welsh Ministers' Statutory SuDS Standards. SuDS Schemes must be approved by your local authority acting in its SuDS Approving Body (SAB) role. Please contact your local authority for details of how to apply.

How will surface water be disposed of?

☐ Sustainable drainage system

☐ Existing water course

☐ Soakaway

☑ Main sewer

☐ Pond/lake

Biodiversity and Geological Conservation

To assist in answering the following questions refer to the help text. The help text provides further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.

Having referred to the help text, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

a) Protected and priority species

◯ Yes, on the development site
◯ Yes, on land adjacent to or near the proposed development
⊘ No

b) Designated sites, important habitats or other biodiversity features

◯ Yes, on the development site
◯ Yes, on land adjacent to or near the proposed development
⊘ No

c) Features of geological conservation importance

◯ Yes, on the development site
◯ Yes, on land adjacent to or near the proposed development
⊘ No

Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

Foul Sewage

Please state how foul sewage is to be disposed of:

☐ Mains sewer
☐ Septic tank
☐ Package treatment plant
☐ Cess pit
☑ Other
☐ Unknown

Other

No foul sewage is created by this development, only rainwater from roof into existing drains on site

Are you proposing to connect to the existing drainage system?

◯ Yes
⊘ No
◯ Unknown

Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste and have arrangements been made for the separate storage and collection of recyclable waste?

- [x] Yes
- [ ] No

If Yes, please provide details:

The development is less than 20 metres from the Venture's recycling area. Food waste will continue to be turned into compost in our nature area.

Trade Effluent

Does the proposal involve the need to dispose of trade effluents or trade waste?

- [ ] Yes
- [x] No

Residential/Dwelling Units

Does your proposal include the gain, loss or change of use of residential units?

- [ ] Yes
- [x] No

All Types of Development: Non-Residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace?

- [ ] Yes
- [x] No

Employment

Will the proposed development require the employment of any staff?

- [x] Yes
- [ ] No

Existing Employees

Please complete the following information regarding existing employees:

Full-time

2

Part-time

2

Total full-time equivalent

3.00

Proposed Employees

If known, please complete the following information regarding proposed employees:

Full-time

Part-time

1

Total full-time equivalent

0.50

Hours of Opening

Are Hours of Opening relevant to this proposal?

◯ Yes
⊘ No

Industrial or Commercial Processes and Machinery

Does this proposal involve the carrying out of industrial or commercial activities and processes?

◯ Yes
⊘ No

Is the proposal for a waste management development?

◯ Yes
⊘ No

Renewable and Low Carbon Energy

Does your proposal involve the installation of a standalone renewable or low-carbon energy development?

◯ Yes
⊘ No

Hazardous Substances

Does the proposal involve the use or storage of Hazardous Substances?

◯ Yes
⊘ No

Neighbour and Community Consultation

Have you consulted your neighbours or the local community about the proposal?

- [x] Yes
- [ ] No

If Yes, please provide details

Hundreds of local children, young people and parents/ carers use the Venture on a regular, often daily basis and benefit from the free food which is available whenever we are open. Our premises are short of places to eat outdoors which provide cover during inclement weather. Not surprisingly the local residents we have consulted are very much in favour of this development.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- [ ] Yes
- [x] No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select only one)

- [ ] The agent
- [x] The applicant
- [ ] Other person

Pre-application Advice

Has pre-application advice been sought from the local planning authority about this application?

- [x] Yes
- [ ] No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:
