Works to Lime Trees at 3 Peel Close, Overton

Maintenance work to two mature lime trees (T1 and T2 on the submitted Property and Tree Location Plan) located in western property boundary. The trees are subject to the Maelor Rural District Council Overton No.1 Tree Protection Order 1969 and are located within the Overton Conservation Area.

The proposed works follow the advice provided by the Wrexham BC Tree Officer on 04/07/2024.

1) Crown raise to 4-6m clear of ground surface.
2) Remove epicormic growth to 4-6m clear of ground surface and as required to allow access for 3) and 4).
3) Crown thin by 10-15%.
4) Remove dead wood.

We propose to have the work undertaken by All Things Trees Ltd Professional Tree Services in November 2024.
