Dear Planning.

Just to confirm that the materials used will be in keeping with the estate, with additional flowers to be planted near the highway to ensure aesthetics are improved as suggested in the pre planning check.

I can also confirm the immediate neighbours have been consulted and are in agreement that the proposed fence is not a problem for them and does not obscure their viewpoint in any way possible. I am happy for you to confirm this with them.

Please contact me with any queries, I look forward to hearing from you soon.
