Please turnover for our terms & conditions.

Please refer to our website for full manufacturer and workmanship guarantee information. This information will also be issued in full to you on completion and payment of your job. All of our fitters are MTC Approved.

Please check all of the details listed overleaf prior to signing this contract to proceed with this quote. If you request further work to be done, this will be at an additional cost which we will quote for.

No work will be undertaken if not listed on the quote. If you wish to alter your order after you have signed this, please note this may not be possible if your items have already entered the production process with the manufacturer i.e. change the colour of composite door ordered. Where we can assist, we will duly do so but it could result in additional costs as previously mentioned which you will be liable to pay for.

50% of the total is to be paid on the day of ordering. You have a 14-day cooling-off period but thereafter refunds of deposits will not be issued. Please note that as a result, this will add 2 weeks to the lead time for your order.

*I/we understand and acknowledge that I/we will still have the right to cancel the contract during the 14-day cancellation period, but that if I/we do so, I/we will be required to pay for the goods and services carried out by Morgans WDC until I/we told them that I/we wished to cancel the contract. This will be an amount which is in proportion to the goods and services carried out by them in comparison with the full coverage of the contract.*

*I/we further understand and acknowledge that I/we will lose the right to cancel the contract and will have to pay in full once the goods and services have been fully performed (i.e. the work has been fully completed), even if this happens within the 14-day cancellation period.*
