Subject: RE: Planning Consultation Amended Plans - P/2024/1167

Thank you for notification of planning application 2024/1167. This is near Public Right of Way footpaths Allington 2 and 30 which should not be diverted or blocked by the development, nor during its construction. In particular the Dog Walking track crosses the Rights of Way, but full access to the Rights of Way should be maintained, even if access to the Dog Track is by fee payment.

Regards

David Collins
