Obtaining the services of archaeological contractors in the Heneb: Clwyd - Powys area

We strongly recommend that archaeological contractors which are registered as archaeological organizations with the Chartered Institute for Archaeologists are commissioned.

Archaeologists' list of Registered Organizations please visit the Chartered Institute for Archaeologists website: http://www.archaeologists.net/ro and use the interactive map and search facility to select contractors.

It is the responsibility of the person commissioning work to ensure that their chosen contractor can demonstrate financial viability for the term of the project(s) for which they are engaged, and that they carry the necessary insurances.
