Details of the pre-application advice received

The advice given to our original query was that the extension would not be allowed under Permitted Development as it extended beyond the rear wall of the house by more than 4m.
We were also informed that, from the plans submitted, the scale of the extension and the flat roof would be acceptable. Also, that there would be no adverse impact on any neighbouring properties as there are none, although a site visit may be necessary to assess the full impact.
We were informed we might have to include a Green Infrastructure Statement.
