Annwyl Syr/Madam/Dear Sir/Madam,

BWRIAD/PROPOSAL: CHANGE OF USE OF CERTAIN ROOMS WITHIN MARCHWIEL HALL AND GROUND TO BE USED FOR PUBLIC FUNCTIONS (WEDDINGS), MARQUEE SPACE AND USE OF SUMMERHOUSE AS ANCILLARY BAR

LLEOLIAD/LOCATION: MARCHWIEL HALL, MARCHWIEL, WREXHAM, LL13 0SS (Minor)

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the above, which we received on 30 September 2024.

We have concerns with the application as submitted. To overcome these concerns, further consideration is required regarding foul drainage. Further details are provided below.

Protected Sites - foul drainage

We note the application site is within the catchment of the River Dee and Bala Lake Special Area of Conservation (SAC). In line with our *Advice to Planning Authorities for Planning Applications Affecting Nutrient Sensitive River Special Areas of Conservation* (28 June 2024), under the Habitats Regulations, Planning Authorities must consider the impact of proposed developments on water quality within SAC river catchments. We therefore advise you to consider whether the proposals, as submitted, would increase the volume of foul discharge from the site in planning terms.

We note from the information submitted that portable toilets are proposed as a foul drainage solution. As such, we refer you to our Advice as identified in the section titled “Advice on temporary events and use of temporary toilet facilities”.

Ultimately, the suitability of foul drainage arrangements for the proposed development is a matter for your Authority to determine. We therefore advise you to take the above into account in your determination of whether the development is likely to have a significant effect on the SAC. Should you determine that an Appropriate Assessment is required, the

Applicant will then need to submit whatever evidence they deem appropriate (seeking advice from consultants as may be necessary) to demonstrate no adverse effect on site integrity.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is published on our website. We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our website for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully,

Rhys Jones
