Dear

Re: P/2020/0239 – Land at Bwlchgwyn – NRW: 01114468

Following the approval of the planning application on Land adjacent to Graig Wen Farm for a Gypsy / Traveller site I am of the understanding that you are requesting if Mr Evans can run his drainage to the nearest available sewer to the East of the site approximately 115m away.

This would mean Mr Evans running the drainage pipe work across my land to which I DO NOT GIVE PERMISSION.

Yours sincerely
