Dyddiad/Date: 07 October 2024

Annwyl Syr/Madam/Dear Sir/Madam,

BWRIAD/PROPOSAL: **DEMOLITION OF EXISTING DWELLING AND ERECTION OF REPLACEMENT DWELLING**

LLEOLIAD/LOCATION: **DOLWAR, PARK ROAD, COEDPOETH, WREXHAM, LL11 3TD**

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the above, which we received on 27 September 2024.

We have no objection to the proposed development as submitted and provide the following advice.

Protected Species

We note the bat report (PJ Ecological Solutions. Preliminary Bat and Nesting Bird Assessment - Dwelling and Associated Outbuilding at Dolwar, Coedpoeth, LL11 3TD. March 2022 Version 01) concludes that bats are not using the site as a breeding or resting place. We refer you to your in-house ecologist as to whether updated reports are needed.

Protected Sites – Foul Drainage

We note the application site is within the catchment of the River Dee and Bala Lake Special Area of Conservation (SAC). In line with our *Advice to Planning Authorities for Planning Applications Affecting Nutrient Sensitive River Special Areas of Conservation* (28 June 2024), under the Habitats Regulations, Planning Authorities must consider the impact of proposed developments on water quality within SAC river catchments.

However, recognising the specific nature of the application submitted for a replacement dwelling, we are satisfied that there is unlikely to be a source of additional nutrients and/or a pathway for impacts. As such, in our opinion, it would be reasonable for your Authority to screen out this proposal as not likely to have a significant effect on the River Dee and Bala Lake SAC in relation to nutrient inputs.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is published on our website. We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our website for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully

Sara Thomas
