

Wildlife Do's

Know your responsibilities regarding wildlife on the site. If you are not sure please ask.

Please look out for Great Crested Newts. If you find a Great Crested Newt on site stop all work immediately and contact David Hughes (☎ 07719969345). Wait for further instruction.

Please look out for Grass Snakes. If you find a Grass Snake on site stop all work immediately and contact David Hughes (☎ 07719969345). Wait for further instruction.

Provide an escape route to the work site boundary.

Remember Grass Snakes are not venomous and are likely to be scared of you!

If you find an animal hole on or near the work site that you think might be used by Badgers stop all work immediately and contact David Hughes (☎ 07719969345). Wait for further instruction.

If you find a bird nest on site stop all work immediately and contact David Hughes (☎ 07719969345). Wait for further instruction.

Keep checking the site for nests.

To avoid the spread of non-native species/ diseases, all machinery, vehicles, tools, footwear and clothing must be cleaned both before coming to site and before leaving site.

Follow the Check-Clean-Dry approach:

1. **Check for mud/ plant material.**
2. **Clean everything – remove the mud/ plant material.**
3. **Dry everything before using elsewhere.**
