Subject: FAO: Alan Wells RE: P/2024/1484 - BARNS AT TANYFRON, VRON FARM - Fencing

Good morning, Alan,

Thank you for the consultation on the site referenced above.

Having consulted the information held within the Historic Environment Record, I can confirm that there are no obvious archaeological implications for the development. Cadw should be consulted due to the Offa's Dyke: Vron Farm Section (SM DE113) located approximately 30m west of the fencing.

Kind regards,

Neil
