5th November 2024

Dear Sir/Madam,

SUBMISSION OF Reports and Drawings to enable the Discharge of Precommecement Planning Conditions against Planning Decision P/2022/0057 for Conditions: 3.5,10,11, 16 and 17.

We are pleased to submit the documents and reports to enable you to review and decide the discharge of precommecement planning conditions as listed above for the proposed development of the battery energy storage project at Bridge Road North, Wrexham

We look forward to receipt of your confirmation that this application has been validated, we confirm making our payment for the calculated planning fee.

The application has been submitted via the Planning Portal.

We trust that the submitted information is sufficient to discharge the condition but should there be any matters requiring clarification please contact me, Robert Ayres on the contact details below should you require any further details.

We look forward to working with you during your review of the application.

Yours faithfully

[redacted]

Robert Ayres
Director
