Annwyl Syr/Madam/Dear Sir/Madam,

BWRIAD/PROPOSAL: CHANGE OF USE OF BUILDING FROM MIXED USE (WAREHOUSE/FACTORY/OFFICES) TO CREATE CHILDREN'S PLAY BARN AND ASSOCIATED CAFE

LLEOLIAD/LOCATION: UNIT 1, PANDY BUSINESS PARK, PANDY, WREXHAM, LL11 2UD

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the above, which we received on 31 October 2024.

We have concerns with the application as submitted. To overcome these concerns, further consideration is required regarding foul drainage. Further details are provided below.

Protected Sites – Foul Drainage

We note the application site is within the catchment of the River Dee and Bala Lake Special Area of Conservation (SAC). In line with our [Advice to Planning Authorities for Planning Applications Affecting Nutrient Sensitive River Special Areas of Conservation \(28 June 2024\)](#), under the Habitats Regulations, Planning Authorities must consider the impact of proposed developments on water quality within SAC river catchments.

This application for change of use proposes connection of foul water to the mains sewer. Ultimately, the suitability of foul drainage arrangements for the proposed development is a matter for your Authority to determine. However, we are satisfied that our concerns can be overcome by your Authority following our [Advice](#) specifically the section titled '*What does this mean for development proposals involving connection to public wastewater treatment works?*'

We therefore advise you to take the above into account in your determination of whether the development is likely to have a significant effect on the SAC. Should you determine that an Appropriate Assessment is required, the Applicant will then need to submit whatever evidence they deem appropriate (seeking advice from consultants as may be necessary) to demonstrate no adverse effect on site integrity

Protected Species

No ecological information has been submitted in support of this application. We recommend you seek the advice of your Authority's ecologist about the requirement for further information to be submitted in support of the application, and to scope the need for bespoke surveys, where required .

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is published on our [website](#). We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our [website](#) for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully
