Dear Sir/Madam,

PROPOSAL: CONTINUED USE OF MOBILE CLASSROOM PREVIOUSLY APPROVED UNDER P/2013/0870 AND P/2019/0118

LOCATION: ST PAULS VOLUNTARY AIDED PRIMARY SCHOOL, ISYCOED, BOWLING BANK, WREXHAM, LL13 9RL

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the above, which we received on 05 November 2024.

We have no objection to the proposed development as submitted and provide the following advice.

Protected Sites

We note the application site is within the catchment of the River Dee and Bala Lake Special Area of Conservation (SAC). In line with our *Advice to Planning Authorities for Planning Applications Affecting Nutrient Sensitive River Special Areas of Conservation* (28 June 2024), under the Habitats Regulations, Planning Authorities must consider the impact of proposed developments on water quality within SAC river catchments.

However, recognising the specific nature of the application submitted, we are satisfied that there is unlikely to be a source of additional nutrients or a pathway for impacts. As such, in our opinion, it would be reasonable for your Authority to screen out this proposal as not likely to have a significant effect on the River Dee and Bala Lake SAC in relation to nutrient inputs.

Foul Drainage

The application form indicates the proposals will be connected to the mains sewer. We consider this would be appropriate for this development. The connection must be discussed with the sewerage network undertaker. If the proposal changes so another means of foul drainage is proposed, please re-consult with Natural Resources Wales.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is published on our website. We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our website for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yours faithfully,

Tristan Williams
