Project : Former Presbyterian Church, Holt

Title : Roof Ventilation slate vent
Date : 29.11.24

Photo of proposed roof ventilation

Size : 500mm (length) x 250mm (high)

Colour : Black

Code: NAT-VENT-5025-B

Brand: Slatescape

Product : Nature Vent 500mm x 250mm Slate Vent

Product Summary :

One of the most versatile natural slate ventilators available on the market today, this Nature Vent will coordinate with any slate by easily using a piece of the same slate, cutting on site and fitting it into the bottom section.

Simply an unobtrusive grill without any unsightly plastic 'mushrooms' this Nature Vent is coloured Black to blend into the roof finish. This natural slate vent is suitable for soil vent termination or extractor fans with an optional flexi pipe. Alternatively, it is suitable for ventilating the roof void.
