

Proposed Site Drainage Plan
1 : 125

The Contractor is responsible for checking all dimensions - any discrepancy to be brought to the attention of the client before proceeding with the work.

Where an item is covered by drawings of different scales, the larger scale drawing takes precedence.

Do not scale drawings - measured dimensions to be worked in all cases.

Revisions:
28th Nov 2024 - Units 7, 8 and 9 amended. Floor levels amended. New access road and footpath amended
