Internal Glazed Screen - NFR Jamb

(rotated through 180 degrees for head detail)

Internal Glazed Screen - NFR Cill

Glazed screen concept design

Internal Screen Details
1 : 2

Construction (Design and Management) Regulations

Design risk assessments are carried out throughout the design stage of this project in accordance with company procedures and manuals. Where reasonably possible all areas of risk applicable to design and end use of the construction have been identified and then eliminated, mitigated or recorded as a residual risk. Note that general risks of which a competent designer or contractor should be aware are not included. This drawing is to be read in conjunction with the Pre-construction Information and all related documents prepared in accordance with the current Construction (Design and Management) Regulations 2015 and all applicable Health and Safety legislation as currently amended.

LEGEND

Internal Glazed Screens as NBS ref: Ss_25_10_35_35

Manifestations
Indicates locations of etched vinyl window manifestation
50mm wide continuous band at 900mm and 1500mm above FFL

Notes:
All dimensions and requirements to be checked on site prior to ordering doorsets and glazing

Refer to drawing 325001 for Internal Door Schedule
