# GREEN INFRASTRUCTURE STATEMENT

**Date**: 19/12/2024

**Project Number:** 24-49

**Client:** Mr Alexandra Kotusiewicz

**Address**: 27 Stansty Road

**Project Type**: Proposed shed

Existing Infrastructure

The site is accessed direct from the street via an electric gate. The front garden is hard-paved for car parking. A driveway along the side of the house leads to a split level rear garden. The upper level is 710mm above the main garden level. The rear garden is paved.

Proposed Green Infrastructure

The proposed shed will be placed on the upper garden level. A bird box will be placed on the north elevation. Some pollinator planting is proposed to the upper garden level to enhance the green infrastructure on site.

End.
