Decision Date 21/01/2025

Revision	Date	Description of Decision
0	21/01/2025	Planning permission issued

Particulars of decision : GRANTED subject to the following:-

Condition(s)

1. The development hereby permitted shall be commenced before the expiry of five years from the date of this permission.

2. The development shall only be carried out in strict accordance with the details shown on the following plan(s) and document(s):
   - Drawing no: W-BL-71/30;
   - Drawing no: PPBC420065347;
   - Proposed Layout Plan ref: HD/13896/01 Revision H;
   - Design and Access Statement;
   - Green Infrastructure Satatement;
   - Great Crested Newt Reasonable Avoidance Measures, Version No:1 dated May 2017.

3. The development hereby permitted shall not be occupied until the measures to deliver net benefit for biodiversity (NBB) in the form of a bird box, as outlined in the Green Infrastructure Statement, have been implemented in full. The measures shall thereafter be maintained for the lifetime of the development. The restoration of the site shall be carried out in accordance with condition 4 of this approval.

4. The use of the building shall cease not later than five years from its completed date of installation on the site. The building together with any hardstanding, base or slab upon which it stands shall be completely removed and the land restored to its previous use not later than one month from that date. The land shall be re-seeded with Emorsgate Standard General Purpose Meadow Mixture (EM2).

In pursuance of its powers under the Acts an Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

Date Received 15/11/2024

Decision Date 21/01/2025

5. The development shall be carried out in strict accordance with the measures outlined in sections 3.0 (Method of Work) and 4.0 (Emergency Procedures) of the approved RAMs scheme dated May 2017.

6. No land drainage run-off or surface water shall be permitted to discharge or connect to the public sewerage system, either directly or indirectly, and foul and surface water shall be drained separately from the site.

7. No development, including site clearance, shall commence until a Biosecurity Risk Assessment, and Method Statement that considers invasive non-native species and specific diseases (e.g. Chytrid) has been submitted to and approved in writing by the Local Planning Authority. The risk assessment shall include measures to prevent the introduction of and where present control, removal or for the long-term management of invasive species both during construction and operation. The risk assessment shall consider landscaping and other related plans. The Biosecurity Risk Assessment shall be carried out in accordance with the approved details.

Reason(s)

1 To comply with Section 91(3) of the Town and Country Planning Act, 1990.

2 To comply with Section 91(3) of the Town and Country Planning Act, 1990.

3 To ensure the development delivers net benefit to biodiversity in accordance with paragraph 6.4.5 of Planning Policy Wales 12.

4 To ensure that the building is only used for the period of time applied for and to allow the applicant adequate time to seek a permanent, satisfactory accommodation for the intended use.

In pursuance of its powers under the Acts an Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

5 In order to protect wildlife interests in accordance with Policies DM1 and SP14, NE1 and NE2 of the Wrexham Local Development Plan.

6 To protect the integrity of the public sewerage system and prevent hydraulic overloading of the public sewerage system. To protect the health and safety of existing residents and to ensure no detriment to the environment in accordance with Policy DM1 of the Wrexham Local Development Plan.

7 To ensure that an approved Biosecurity Risk Assessment is implemented to secure measures to prevent or control the spread and effective management of any invasive non-native species and listed diseases at the site, having regard to Policy SP14 of the Wrexham Local Development Plan.

Note(s) to applicant

Following the commencement of Schedule 3 of the Flood and Water Management Act, the works as proposed are required to obtain approval from the SuDS Approving Body (SAB) prior to commencement of those construction works. Further details of the SAB, the new national standards, the pre-application advice service and the application for approval process can be found on the Wrexham CBC's SAB webpage: https://www.wrexham.gov.uk/english/planning_portal/sab/sab.htm or by contacting the SAB Team directly at SAB@wrexham.gov.uk
