Follow Up Flag: Follow up
Flag Status: Completed

Good morning, Sarah,

Regarding the planning application referenced above.

The proposed trackway appears to run through, or directly adjacent to, the Offa's Dyke scheduled monument (DE113), which runs down the western side of the property. The current documents do not appear to show a route for this trackway, and although membrane materials are included, there does not appear to be any method for its placement.

In this case, we would request further information on the proposed route of the trackway, any information regarding the construction technique, and if there are to be any groundworks, there will be archaeological issues due to the proximity of the monument.

Cadw should also be contacted regarding the application, due to impacts upon the scheduled monument and they can be contacted via cadwplanning@gov.wales .

Do contact me if there are any further questions.

Kind regards,

Neil
