REVISION HISTORY

Rev.	Date	Initials	Amendments
-	05.12.23	CP	Initial drawing

KEY

- Proposed permit boundary
- Waste storage areas
- Non-waste storage areas
- Hazardous waste storage areas
- Non-waste fuels, oils and other liquids storage
- Pedestrian access routes
- Waste recycling / storage buildings (impermeable concrete floors)
- Other buildings i.e. weighbridge/office
- Impermeable concrete surfaces
- Unsurfaced/hardstanding areas
- Bunding (segregation)
- Surface water drainage fall direction
- Foul drainage
- Surface water drainage
- Foul & surface water manholes
- Surface gullies
- Above/below ground drainage (hatched)
- Fixed tools (indicative locations)
- Fire fighting equipment (indicative locations)
- Flood shutoff (indicative locations)
- Electrical & mains shut off points
- Water shut off points
- Manual fire alarms (break glass / horns)
- Spill kits (indicative locations)
- Access route for emergency services
- Fire assembly points
- CCTV cameras
- 0.15m-0.8m wide concrete fire walls (height varies throughout)
- Banking/earth bunds
- Safety fencing and barriers

2.0m high post & wire fence topped with 1m high razor wire and mature hedgerow

Entrance

Cable granulator & screened dust in bags

Empty skip storage area

BUILDING WITHIN PERMIT BOUNDARY BUT NOT BEING USED FOR ANY WASTE RELATED ACTIVITIES

Clothes storage and impermeable area

Quarantine waste skip

Site storage area

Sorted scrap metal storage bay

Duct extraction bagging area

Sorted scrap metal storage bay

Sorted scrap metal storage bay

Undepolluted ELV storage area

Engine containers

Oversize ferrous metal

Storage area for depolluted ELVs and ferrous metal prior baling

Oversize and ferrous metal baling and inspection area

0.8m high earth bund with mature (5m - 10m high) vegetation behind (sparsely in western fence)

Two no. 1,000 litre fire strike water tanks

Temporary storage of baled scrap & ELVs

Sorted scrap metal skips

Sorted scrap metal storage bay

Sorted scrap metal storage bay

Sorted scrap metal storage bay

2.0m high post & wire fence topped with 1m High razor wire and mature hedgerow in front

Lead and battery storage

Cable granulator plant

Bagged feedstock from granulation plant

Sorted non-ferrous

Sorted non-ferrous

Temporary storage of removed components

Lockable access into building

Depollution bay

Depollution equipment

Stores

Site office

Weighbridge

Access into lower yard

Staff parking

Cable granulator plant

Quarantine waste skip

Pre-processed cable

Non-ferrous container skips area

Lockable access into building

Plant/machinery and general storage

Lockable access into building

Platform scales

Cable granulator in bags

Water tanking

Roadway for roof water

Lockable access gate

2.0m high post & wire fence topped with 1m high razor wire

2.4m high palisade fencing

2.0m high post & wire fence topped with 1m high razor wire

Mains site access & egress (lockable gates)

2.0m high post & wire fence topped with 1m high razor wire
