Morning, Tyler,

Regarding the archaeological condition on the application, we have only received the WSI (Written Scheme of Investigation) so far. I am aware the work took place earlier this month, however we have not received notification the full report has been deposited with the HER team as yet. The condition currently is part discharged, with the WSI received and it will be fully discharged upon deposit of the full report to the HER team.

Kind regards,

Neil

Heneb
