Condition(s) - Removal

Please state why you wish the condition(s) to be removed or changed

I wish to have the condition removed or amended because the current planning permission restricts my company to operating only one vehicle, which does not align with my business needs. My intention has always been to operate multiple vehicles as part of my company's operations. This restriction limits the growth and efficiency of my business. And this adjustment is necessary as the company already managing two school contracts and intends to take on additional school contracts.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

I request that the existing condition be varied to allow the operation of multiple vehicles, specifically upto 2 cars, for my company as i have two parking space available in my property. The current permission restricts me to a single vehicle, which is limiting the the growth of the company.
