Annwyl Syr/Madam/Dear Sir/Madam,

BWRIAD/PROPOSAL: ERECTION OF REPLACEMENT AGRICULTURAL BUILDING

LLEOLIAD/LOCATION: LAND WEST OF COBHAM COTTAGE, ISYCOED, BOWLING BANK, WREXHAM, LL13 9RY

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the above, which we received on 11 February 2025.

We have no objection to the proposed development as submitted and provide the following advice.

Protected Sites and Foul Drainage

We note the application site is within the catchment of the River Dee and Bala Lake Special Area of Conservation (SAC). In line with our *Advice to Planning Authorities for Planning Applications Affecting Nutrient Sensitive River Special Areas of Conservation* (28 June 2024), under the Habitats Regulations, Planning Authorities must consider the impact of proposed developments on water quality within SAC river catchments.

Based on the understanding the replacement agricultural store will be a storage shed for machinery/implements/feed, the application as submitted is unlikely to increase the amount of nutrients entering the catchment. Therefore, we are satisfied that the proposal is not likely to have a significant effect on the River Dee and Bala Lake SAC.

If the agricultural building will serve any other/additional purpose, please provide details and re-consult.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is

published on our website. We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our website for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully,
