Business Structure AYS Travels Limited operates within the taxi industry, specializing in school transport, airport drop-offs, and long-distance transfers upon request. The business is based at 2 Oak Tree Mews, Wrexham, LL13 7AH, and all operations are conducted remotely via phone, email, or a forthcoming digital application. The business does not maintain customer-facing facilities or waiting areas at the premises.

Team AYS Travels Limited is managed by Chandon Kumar Shill, a resident of 2 Oak Tree Mews. He is supported by [redacted] Both individuals are currently employed as private-hire vehicle drivers. Business functions, including bookings, job allocations, and customer communications, are centrally managed from the office located at 2 Oak Tree Mews, Wrexham, LL13 7AH.

Vehicles The business currently operates with one standard car, primarily used for school contracts and private hire services. In response to increased demand and the planned employment of an additional driver, AYS Travels seeks permission to operate a second vehicle. Both vehicles will be standard private-hire cars, with no minibuses or larger vehicles being used. These vehicles will be parked at 2 Oak Tree Mews.

Business Operations All business operations will continue to be managed from the administrative office at 2 Oak Tree Mews. Bookings, customer interactions, and job assignments will be handled remotely via phone, email, or digital applications. The premises will remain exclusively for administrative functions, with no customers or drivers visiting the property for business-related activities.

Operating Hours AYS Travels Limited will operate year-round, seven days a week, from 6:00 a.m. to 1:00 a.m.

Request for Planning Permission Amendment We request an amendment to the current planning permission to allow the operation of up to two vehicles for AYS Travels Limited. The current restriction of a single vehicle does not align with the company's expansion plans and growing customer demand.

Key considerations for this request:

- All vehicles used will be standard private-hire cars dedicated to school contracts and general private hire services.
- There will be no customer-facing operations or waiting areas at the business premises.
- All vehicles will be parked at the respective owners' residences when not in service.

The proposed change will not adversely impact the local neighbourhood or infrastructure, as the property will continue to function solely as an administrative base.
