Subject: P/2025/0081 - White Horse 21 High Street, Overton

Good morning,

Regarding the Listed Building Consent application for the former White Horse public house at 21 High Street, Overton, reference: P/2025/0081, we would like some clarification on an aspect.

In the Heritage Impact Assessment, it states in the 'Mitigation Measures / Conservation and Restoration Plan' section:

5.2. By documenting the conversion process through detailed records, photographs, and drawings, there would be a comprehensive record of the building's history and evolution. A monitoring program is proposed to track the condition of the building over time and address any maintenance or conservation needs that arise

Would you be able to confirm with us what level of historic building record this refers to?

Kind regards

Meilyr Powel
