Dear Mr Smith,

Further to my recent visit I have pleasure in submitting my quotation of [redacted] for tree work as follows.

Location:Above address.

Tree species:Two Maple trees and one Sycamore.

Works required:Crown raise the two Maple trees and one Sycamore over the road to maintain a height of approximately 7 meters.
Reduce side branches to clear the house by approximately 2 meters pruning back to suitable side branches.
Remove deadwood from the three trees.

This quotation includes the chipping and removal of all arisings making the site tidy of our work.

I trust that this quotation is satisfactory and look forward to hearing from you in due course.

Thank you for inviting me to quote for your tree work. if you have any further queries please do not hesitate to contact me.

Yours sincerely
