Description of the Proposal

Description

Please describe the proposed development including any change of use

We would like to change the use of the unit to D2 -Assembly and leisure.
Golfinity Leisure intends that Pro Sim will be an indoor Golf Training facility with a number of state of the art simulators.
Our mission is to revolutionise the Golf Training experience locally by providing the most advanced technology, expert coaching and an engaging environment that meets the diverse needs of Golfers in Wrexham and beyond.
We aspire to make Golf training accessible and enjoyable for everyone regardless of age or skill level.
We believe Unit 1C is an ideal location for Pro Sim as there is plenty of parking facilities for our Patrons, we are within easy walking distance of Wrexham Town Centre which will provide excellent footfall, and the excellent transport links will provide convenient access from North Wales, Chester and beyond. There is no facility like this in the North West currently, and so we believe we will attract tourism and give another reason for people to visit Wrexham.
We have a online booking system so we can control our numbers and therefore minimise disruption for any other businesses or neighbours.
We intend to offer Corporate Initiatives for local businesses, their staff and visiting professionals. We plan a Golf Academy to increase the interest in the sport for young people, we would like to forge links with local schools and other groups creating a nice local space and creating a sense of community.
Our objective is to create a nice community space, enhancing the area and the wider community.
There are no major transformations to the interior or exterior of the building.
