Dear Miss Williams

I refer to the recently submitted planning application and I wish to inform you that the following information is required to validate the application:

Scaled site location plans and block plans must be submitted. There is no scale or north point annotated on the submitted plans. Please amend.

As there are trees to the entrance of the application site I have asked our Tree Officer for his comments as to whether a tree report may be required. I will update you with his findings. *- no report req'd*

Once this information has been received I will be able to validate the application.

*Enquire from
Jan. 8/12*

Kind Regards

Sharon Williams
