

In pursuance of its powers under the Acts and Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

Applicant	MR ANTHONY PRICE	Code Number	WRA P/2024/0127
Agent	MR ANTHONY PRICE 5 LITTLE ACTON DRIVE WREXHAM LL12 8DH	Date Received	26/02/2024
		Decision Date	22/04/2024

Town and Country Planning Act, 1990

Town and Country Planning (Trees) Regulations 1999

Location of application

THE FIRS, 5 LITTLE ACTON DRIVE, WREXHAM, LL12 8DH

Description of application

GWAITH I GOED A DDIOGELIR GAN ORCHYMYN CADW COED WCBC
149 / WORKS TO TREES PROTECTED BY TREE PRESERVATION
ORDER WCBC 149

T1 – western hemlock:

- Remove to ground level.

T1 – larch:

- Remove to ground level

T3 – Grand fir:

- Reduce height to approximately 5.0 – 7.0m to suitable growth points.
Reshape upper crown to suit characteristic form.

In reaching this decision stated below the Council has had regard to the relevant policies in the Wrexham Local Development Plan and any agreed Council strategy which are as follows:-

- NE3 Trees, Woodlands and Hedgerows
- WCBC Tree and Woodland Strategy 2016 - 2026

GRANT OF CONSENT

Subject to the following condition(s):

1. All tree works hereby approved shall be undertaken to the standards set out in British Standard 3998:2010 Tree Works - Recommendations.

2. The tree works hereby approved shall be commenced within one year of consent being granted.

Reason(s)

1. To preserve the health, safety and amenity value of the tree(s) in accordance with Policies GDP1, SP14 and NE3 of the Wrexham Local Development Plan.
2. To ensure the work is completed within a reasonable time scale in accordance with Policy DM1 of the Wrexham Local Development Plan.

Note(s) to applicant

Owner authorisation:

Please be advised that this Decision Notice does in no way provide the applicant / agent with authorisation to enter onto land or property belonging to another person(s) in order to undertake proposed works. Should the applicant / agent wish to gain access onto land belonging to another party then authorisation must be received from the owner of that land prior to undertaking the agreed works. Failure to receive such authorisation from the owner may leave the applicant / agent liable to prosecution.

Bird nesting/breeding season:

All wild birds, their young, their eggs and active nests are protected under law. It is an offence to damage a nest intentionally while it is in use or even being built. Non-urgent tree work involving tree removal/pruning and hedge cutting operations should, if possible be avoided during the bird nesting/breeding season. If necessary, then applicants and contractors are advised to take all reasonable precautions in assessing vegetation prior to undertaking works and must cease operations if at any time a nest is then discovered. Advice from the RSPB indicates the bird nesting season to be from the beginning of March to the end of August however, depending on seasonal temperatures, some birds do continue breeding into September.

Bats:

All bats and their roosts are strictly protected by law. Deliberately capturing, disturbing, injuring and killing bats is prohibited. Damaging or destroying their roosts is also prohibited.

Where bats are suspected to be present, please seek advice from a qualified arboriculturalist or a licensed bat specialist and if appropriate, get the relevant licence/s before you carry out any major tree work or hedge cutting.
