Dear Sirs,

I refer to the recently submitted planning application and wish to inform you that the following information is required to validate the application:

Location Plan: Location Plans must be submitted, drawn to an identifiable scale, preferably 1:1250 or 1:2500. They should be based on an up-to date map and should wherever possible show at least two named roads and surrounding buildings. The properties shown should be numbered or named to ensure that the exact location of the application site is clear. The application site should be edged clearly with a red line. It should include all land necessary to carry out the proposed development – for example, land required for access to the site from a public highway, visibility splays, landscaping, car parking and open areas around buildings. A blue line should be drawn around any other land owned by the applicant, close to or adjoining the application site. The location plan submitted is blank please amend.
