ADD

Hi Simon,

Yes, I think it would be appropriate in this instance to ask for a HIA and advertise.

Hello Anna,

Could you have a quick look at this please- I have attached the site plan and the other documents are here:
Y:\Shared\CWDS\Shared\Planning Applications\Planning Applications\September 2020\24 September

The DAS does not mention the 2 listed buildings on the site. Should we ask for a heritage statement and advertise as affecting the setting?

Thanks

Simon
