Annwyl Syr/Madam/Dear Sir/Madam,

BWRIAD/PROPOSAL: ESTYNIAD I GAREJ A NEWID TANC SEPTIG AM UNED TRIN CARTHFFOSIAETH / EXTENSION TO GARAGE AND REPLACEMENT OF SEPTIC TANK WITH SEWERAGE TREATMENT PLANT

LLEOLIAD/LOCATION: SPRINGFIELD, BUCK ROAD, COMMONWOOD, HOLT, WREXHAM, LL13 9TF

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the above, which we received on 19 March 2025.

We have no objection to the proposed development as submitted and provide the following advice.

Protected Sites and Foul Drainage

We note the application site is within the catchment of the River Dee and Bala Lake Special Area of Conservation (SAC). In line with our *Advice to Planning Authorities for Planning Applications Affecting Nutrient Sensitive River Special Areas of Conservation* (28 June 2024), under the Habitats Regulations, Planning Authorities must consider the impact of proposed developments on water quality within SAC river catchments. We therefore advise you to consider whether the proposals, as submitted, would increase the volume of foul discharge from the site in planning terms.

We note the application, as submitted, proposes an extension to the existing domestic garage i.e. an extension to a dwelling house comprising a single household and also replacement of the septic tank with a new sewerage treatment plant. We refer you to our Advice and the section titled '*What does this mean for domestic extensions*?'

Ultimately it is a matter of judgment for you, as Competent Authority, to satisfy yourselves that the proposed development will not result in a significant effect on the SAC.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is published on our website. We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our website for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully,

Rachael Burke
