[redacted]

Good Afternoon, [redacted]

I have attached the location and site plan.

1. All the buildings, roads and footpaths on land adjoining the site including access arrangements; No Buildings, Existing dropped kerb from A525
2. All public rights of way crossing or adjoining the site; None
3. The position of all trees on the site and those on adjacent land that could influence or be affected by the development; None
4. The extent and type of any hard surfacing; Concrete driveway with dropped kerb from A525
5. Boundary treatment including walls or fencing where this is proposed: None.

I hope this answers all questions.

Thanking you for your help.

Kind regards
