Subject: RE: [EXTERNAL] Planning Consultation - P/2025/0338

Good afternoon Wrexham County Borough Council,

Thank you for your email.

Regarding planning application P/2025/0338, there are no National Grid Electricity Transmission assets affected in this area.

If you would like to view if there are any other affected assets in this area, please raise an enquiry with www.lsbud.co.uk. Additionally, if the location or works type changes, please raise an enquiry.

Please note this response is only in reference to National Grid Electricity Transmission assets only. National Gas Transmission (formerly National Grid Gas) should be consulted separately where required.

The overhead lines routed close to the site do not belong to NGET and will be owned by the local DNO.

Kind regards,

NGET Asset Protection Team
