3. Description of Proposed Works

Please describe the proposed works:

installation of a Stiebel Eltron Platinum heat source pump for the purpose of hot water and heating supply, the heat pump will need to be located at the front of the property however there is a public footpath on the outer boundary of my property in addition Scottish power is directly adjacent accross a 40MPH road.

the appliation is requied due to the noise output of the Stiebel Eltron Platinum heat source pump therfore planning is required so that i can go ahead and request installation.

Furthermore my propery has a EPC rating of F and the instwlation will reduce the EPC rating significantly.
