If the vis splay drawing could be included in the approval please, and the applicant can demonstrate/commit to the long term surety of the same, we'd be happy thanks

Hello,

I have picked up this application. I note that amended/additional plans were received on 12 December 2023 which may be in response to your consultation response of 20/11/2023. Please could you have a look and advise if these change your comments?

Many thanks

Simon Greenland
