Note(s) to applicant

Your attention is drawn to Highway Supplementary Notes - Refer to Statement of Applicant's Rights and General Information on our planning web site at:-
http://www.wrexham.gov.uk/english/planning_portal/publications/info_sheets.htm

All works in relation to the implementation of this permission, including deliveries to and /or leaving the site, should be undertaken only between the hours of 07.30 to 18.00 Monday to Friday, 08.00 to 14.00 on a Saturday, and at no time on a Sunday or a Bank Holiday. Outside these times, any works which are audible beyond the site boundary have the potential to cause unreasonable disturbance to neighbouring premises.

The applicant is advised that the Council has the option to control construction noise by serving a Control of Pollution Act 1974, Section 60 Notice where deemed necessary, and failure to comply with such a Notice can result in prosecution.

The applicant is further advised that any complaints received relating to noise of any type from the development may also be investigated using the Council's Standardised Procedure for Dealing with Noise Nuisance Complaints. This is done under the Statutory Nuisance provisions provided within the Environmental Protection Act 1990, and legal action may be taken where appropriate.

The applicant must adhere to the times given above wherever possible. If, however, there are urgent or unavoidable circumstances requiring work outside of the specified times, permission to proceed may be sought by contacting Environmental Health & Housing Standards at healthandhousing@wrexham.gov.uk or 01978 292040. Please use the same contact details for any other enquiries regarding construction / demolition site noise.

Burning of waste generated from construction activities is not considered to be an appropriate method of disposal and action may be taken as follows:
- Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;
- Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply with the requirements of the notice can result in prosecution;
- Under the Clean Air Act 1993 it is an offence for a commercial activity to burn anything that gives rise to dark smoke.

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Environmental Health & Housing Standards Team on healthandhousing@wrexham.gov.uk or 01978 292040 for further advice and information.

The Applicant is advised that under the dust from construction and / or demolition activities can be judged to be causing a statutory nuisance to neighbouring properties. A legal notice can be served requiring that any dust nuisance is abated, and failure to comply with the requirements of the notice can result in prosecution. The applicant should contact the Council's Environmental Health & Housing Standards Team on healthandhousing@wrexham.gov.uk or 01978 292040 for further advice and information.

You are advised that the planning permission hereby granted does not authorise any building over, diversion, connection or other interference with any sewer, public or private, which crosses the site. You are advised to contact Welsh Water, PO Box 10, Treharris, CF46 6XZ (Tel: 01443 331155) in this regard, prior to undertaking any groundwork in connection with the development. Should you be required to depart from the details hereby approved, you should contact the Council's planning department to seek further advice with regard to the submission of amended plans and / or a new planning application.

Please note that detailed advise has been issued by Welsh Water regarding the location of pubic sewers on the site and NRW regarding flood risk. This information is available on the Council's website.
