Hi Steve

Thanks for your email.

I've checked the file and as well as the PEA we were also waiting for a site plan including access arrangements, floor plan and landscaping plan.

Given the amount of information that is required it may be best if you can submit a whole new application on the portal to save changing the forms we have etc. We did receive the fee so when we receive the new application we'll put the fee with that and then destroy the original submission.

You may have to select 'Pay by telephone' or something similar on the portal to enable to submit the application. When its been submitted if you can just drop me an email to let me know I can make sure we match it up with the fee already paid

Thanks

Louise
