GREEN INFRASTRUCTURE STATEMENT

Date:	13/06/2025
Project Number:	25-25
Client:	Mr Sion Davies
Address:	20 Gorse Crescent, Marford, Wrexham LL12 8LZ
Project Type:	Two storey side extension

Existing Infrastructure

The site is accessed via a grave driveway off Gorse Crescent. Attached to the side of the house is a flat roof garage, which we plan to replace with an extension on the same footprint. The front and rear gardens are grass.

Proposed Green Infrastructure

The proposed extensions to replace the garden will cause no loss or change to the existing garden space. We are proposing to add a bird box to the side gable elevation.

End.
