EIA Screening Assessment

**CODI UNED CYNHYRCHU EGG AM DDIM ORGANIC A PHOB GWAITH
CYSYLLTIEDIG / ERECTION OF AN ORGANIC FREE RANGE EGG PRODUCTION
UNIT AND ALL ASSOCIATED WORKS**

Thank you for the consultation in respect of the above.

The Environmental Health & Housing Standards support the conclusions of the EIA screening assessment of relevance to this section. In that no assessment is required for:

Question 1(e) Pollution and Nuisances

Question 1(g) Risks to Human Health (for example due to water contamination or air pollution) – **Specifically Air Pollution**

Concerns for any potential impact will look to be mitigated through the standard planning process.
