Dyddiad/Date: 08 November 2023

Annwyl Syr/Madam/Dear Sir/Madam,

BWRIAD/PROPOSAL: 2 GWRT TENNIS, RHOI WYNEB NEWYDD I'R CYRTIAU TENNIS PRESENNOL, LLIFOLEUADAU LED, MYNEDFA AR YR OCHR, ADDASIADAU I'R TO A'R CANOPI, NEWID FFENESTRI A DRYSAU, PANELI SOLAR A GORSAFOEDD PARCIO TRYDAN / 2 TENNIS COURTS, RESURFACING OF EXISTING TENNIS COURTS, LED FLOODLIGHTS, SIDE ENTRANCE, ROOF ALTERATIONS AND CANOPY, REPLACEMENT WINDOWS AND DOORS, SOLAR PANELS AND ELECTRIC PARKING STATIONS

LLEOLIAD/LOCATION: Tennis Centre, Plas Coch Road, Wrexham, LL11 2BW

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the additional information for the above, which we received on 16 October 2023.

We continue to have concerns with the application as submitted. However, we are satisfied that these concerns can be overcome if the document identified below is included in the approved plans and documents condition on the decision notice:

Approved Documents: Preliminary Ecological Appraisal for Wrexham Tennis Centre by Richards Morehead & Laing LTD dated June 2023

Please note, without the inclusion of this document we would object to this planning application. Further details are provided below.

Protected Sites – Foul Drainage

We note the application site is within the catchment of the River Dee and Bala Lake Special Area of Conservation (SAC). As you are aware, on the 21st January 2021, we published an evidence package outlining phosphorus levels for all river SACs across Wales. In line with our [Planning Advice](#) (August 2023), under the Habitats Regulations, Planning Authorities

must consider the phosphorus impact of proposed developments on water quality within SAC river catchments.

However, following your email dated 30th October 2023 confirming that you don't consider the proposal to have the potential to increase the amount of phosphates from the site, we are satisfied that it is unlikely to increase the amount of phosphorus entering the catchment. Therefore, we are satisfied that the proposal is not likely to have a significant effect on the River Dee and Bala Lake SAC.

Protected Species

We note that the bat report submitted in support of the above application (Preliminary Ecological Appraisal for Wrexham Tennis Centre by Richards Morehead & Laing LTD dated June 2023) has identified that bats may be using the site for foraging and commuting. From the information submitted, we consider that the proposed development represents a lower risk for bats, as defined in our guidance document '*Natural Resources Wales Approach to Bats and Planning* (2015)'. Bats and their breeding and resting places are protected under the Conservation of Habitats and Species Regulations 2017.

As this is a lower risk case for bats, we consider that the development is not likely to be detrimental to the maintenance of the population of the species concerned at a favourable conservation status in its natural range.

Furthermore, we advise that the proposed development is not likely to harm or disturb the bats or their breeding sites and resting places at this site, provided the avoidance measures described in the bat report are implemented.

The report must be included in the 'approved list of plans / documents' condition within the decision notice should consent for the project be granted.

Please consult us again if any further information shows that this is no longer a lower risk case.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is published on our [website](#). We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our [website](#) for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully

Rachael Burke
