

Dear Sir/ Madam

I would like to register my support for the Christmas Farm, Llay Road, Wrexham. I am a resident of Llay and have visited the Christmas Farm on several occasions with my grandchildren and have had a fantastic time. The Christmas Farm is an excellent attraction, which is good value for money and provides access to outdoor space and activities in the countryside. On the occasions that I went it was very well organised with regards to both car parking and events and I feel that this attraction is a massive benefit to the local community and surrounding areas.

Yours sincerely

Tracy Shone
