Subject: FW: Waste Water Disposal Caravans Farmers Fresh Wales Ltd

Hi Sharon,

My apologies, please see below confirmation from the client re drainage from the caravans.

Kind regards

Hi Lina

I can confirm after discussion with the 3 Occupiers of the Caravans at rear yard of Farmers Fresh Wales Ltd

,
There are no waste water tanks in use as all three Caravans make use of the Toilet ,Washing and Shower Facilities that are present on site that are connected to the main drain.

Regards
