By Planning Portal (ref: PP-12847588)

29/02/2024

Dear Sir/Madam

The Town and Country Planning (Development Management Procedure) (Wales) Order 2012 Planning Application at Chirk Landfill Site.

A planning portal application, reference: PP-12847588, is being submitted online for a Non-Material Amendment (NMA) to planning permission CHI P/2023/0380 issued on 30/01/2024. The planning permission allowed one of the two existing leachate tanks to be decommissioned and a new leachate tank installed. Since the issue of the planning permission the new leachate tank location has changed slightly. The new leachate tank is still stored in the purpose-built compound located near to the site's main entrance to the south.

This application proposes to substitute the plans listed in the planning permission from

- Dwg No: 466A285 PLAN 1 - Site Location Plan
- Dwg No: 466A287 PLAN 1 - Application Area Plan

to

- Dwg No: 466A285 Rev A PLAN 1 - Site Location Plan
- Dwg No: 466A287 Rev A PLAN 1 - Application Area Plan

No other changes are proposed. The Planning Application Fee of £115.00 is derived from the planning portal and has been paid.

I trust the planning application provides sufficient information to enable the County Planning Authority to determine the application and I look forward to receiving confirmation of validation at your convenience.

Yours sincerely,

Emma Greenhalgh – Secondment Permitting Support (North)
