Note(s) to applicant

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:
www.gov.uk/government/organisations/the-coal-authority

The permission hereby granted does not authorise encroachment upon, or interference with, the adjoining property.

You are advised that building work which involves work on an existing wall shared with another property, building on the boundary with a neighbouring property or excavating near a neighbouring building may require the separate consent of the neighbour under the provisions of the Party Wall Act. If you require further information or advice please contact the Building Control Section on 01978 292050.

Applicant	MR GARY COOK	Code Number	WRC P/2021/1037
Agent	MR GARY COOK WALES AND WEST HOUSING LIMITED TY DRAIG ST DAVIDS PARK EWLOE CH5 3DT	Date Received	25/10/2021

The proposed scheme should be constructed to a standard suitable for adoption by the Council for future maintenance at the public expense and the developer will need to enter into an agreement with the Council under s.38 / 278 of the Highways Act 1980.

You are advised that the Highway Authority will require such works to be completed to their satisfaction before they will formally adopt the relevant Highway works for public use and to be maintained at public expense. This will include the provision of a bond to cover the estimated value of such works. The appropriate fees will become due to the Council when the Highways Authority approve the proposed works to be carried out.

There are existing sections of adopted highway passing through the development site. These sections of adopted highway / footway will need to be stopped up by the applicant prior to the commencement of any development. The applicant will be required to apply for consent to the Welsh Government to stop up this section of adopted highway under the Town and Country Planning Act 1990 - Section 247.

Any additional lighting columns / re-location of existing columns at the development site and connecting footways will need to be agreed with our Street Lighting Section - contact Paul Rogers on Tel: 01978 729673. The applicant is advised that compliance with condition no. 25 does not provide an exemption from the statutory noise nuisance provisions of the Environmental Protection Act 1990. Any complaints received relating to noise from the development during the permitted hours may still be investigated using the Council's Standardised Procedure for Dealing with Noise Nuisance Complaints and legal action may be taken where appropriate.

The Applicant is advised that under the dust from construction and / or demolition activities can be judged to be causing a statutory nuisance to neighbouring properties. A legal notice can be served requiring that any dust nuisance is abated, and failure to comply with the requirements of the notice can result in prosecution. The applicant should contact the Council's Environmental Health & Housing Standards Team on healthandhousing@wrexham.gov.uk or 01978 292040 for further advice and information.

Burning of waste generated from construction activities is not considered to be an appropriate method of disposal and action may be taken as follows:

- Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;
- Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply with the requirements of the notice can result in prosecution;
- Under the Clean Air Act 1993 it is an offence for a commercial activity to burn anything that gives rise to dark smoke.

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Environment and Planning Department on 01978 315300 for further advice and information.

This permission is granted subject to the above conditions. Some conditions may require your attention prior to you carrying out any work on the proposal. These conditions are known as ""conditions precedent"". You should be aware that it is important that you comply with any ""conditions precedent"". If you do not, then any work you undertake on the development subject of this permission would not have planning permission.

You must comply with your duties in section 71ZB (notification of initiation of development and display of notice: Wales) of the Town and Country Planning Act 1990. The duties in that section include the following:

*** Notice of initiation of development**

Before beginning any development to which this planning permission relates, notice must be given to the Local Planning Authority in the form set out in Schedule 5A to the Town and Country Planning (Development Management Procedure) (Wales) Order 2012 or in a form substantially to the like effect. The forms set out the details that must be given to the Local Planning Authority to comply with this duty.

*** Display of notice**

The person carrying out development to which this planning permission relates must display at or near the place where the development is being

carried out, at all times when it is being carried out, a notice of this planning permission in the form set out in Schedule 5B of the Town and Country Planning (Development Management Procedure) (Wales) Order 2012 or in a form substantially to the like effect. The form sets out the details that the person carrying out development must display to comply with this duty.

The person carrying out development must ensure that the notice is:

- a) Firmly affixed and displayed in a prominent place at or near the place where the development is being carried out;
- b) Legible and easily visible to the public without having to enter the site; and
- c) Printed on durable material. The person carrying out development should take reasonable steps to protect the notice (against it being removed, obscured or defaced) and, if need be, replace it.

Following the commencement of Schedule 3 of the Flood and Water Management Act, the works as proposed are required to obtain approval from the SuDS Approving Body (SAB) prior to commencement of those construction works. Further details of the SAB, the new national standards, the pre-application advice service and the application for approval process can be found on the Wrexham CBC's SAB webpage:

https://www.wrexham.gov.uk/english/planning_portal/sab/sab.htm or by contacting the SAB Team directly at SAB@wrexham.gov.uk

Detailed advice has been issued by Natural Resources Wales (NRW) which is available on the Council's planning applications website.
