Hi Matthew,

I can confirm that the proposed foul connection point would be considered acceptable in principle.

Best regards,

Jake,

The above application is one that has already been considered by yourselves in your response to us last year in respect of the Five Fords Permit. However, I have asked the applicant to confirm the intended foul water connection location. A copy of a drainage layout plan is attached.

I would be grateful if you could confirm if the proposed connection location is considered acceptable.

Regards

Matthew Phillips
